## LOCAL RADIO

One Golden Square is home to six national radio brands, including Absolute Radio. We're looking for individuals with a love of music and a passion for radio broadcasting to experience working behind the scenes at some of the UK's biggest radio stations: Absolute Radio, Heat Radio, Kerrang!, Kiss, Magic and Planet Rock.

If you're a creative, enthusiastic, driven individual who wants to go far, you're in the right place. Your time at One Golden Square aims to give you a flavour of how radio stations work, from on-air presentation and production, through to the website, marketing and operation.

Every day is different; the agenda is set by what's happening at our family of stations at the time - it might depend who's visiting, or which events are taking place.

### The facts

- All placements will be two weeks unless otherwise arranged.
- You must be aged 16 or over.
- You'll need to demonstrate your passion for radio. It could be that you volunteer on local or hospital radio, or you're taking a media course at college or university.

All of their work experience opportunities will be advertised on [gothinkbig.co.uk](https://gothinkbig.co.uk). We take applications several times a year, so keep your eyes peeled! Not only that, but One Golden Square will also host open playlist meetings, networking events and CV Clinic days, all of which will be advertised on [gothinkbig.co.uk](https://gothinkbig.co.uk).
