Dear Local Residents/Shop Keepers

Summer Term Update

As we move into our final school term of the academic year, I wanted to remind you of some key dates for upcoming events which we will be hosting at Oldbury Academy. As always we hope that these events would not cause local residents any issues. We will work with parents and the local community to reduce the level of disruption where possible.

Thursday 23rd May – Year 6 Induction Evening 1 (6pm – 8pm)
Friday 24th May – students break up for Half Term.
Monday 3rd June – Students return from the Half Term break.
Tuesday 18th June – Year 7 parents evening. (4pm – 7pm)
Wednesday 26th June – Creative Arts Showcase – (6pm – 9pm)
Wednesday 4th July – Year 6 induction day 1 – All day
Thursday 5th July – Year 6 induction day 2 – All day
Thursday 5th July – Year 6 Induction Evening 2 (6pm – 8pm)
Thursday 11th July – Teaching and Learning Afternoon – Students leave at 1.15pm
Friday 19th July – Break up for Summer Holiday – Students leave at 1.15pm
Monday 22nd July – Friday 26th July – Year 6 Summer School (10am – 2pm)
Thursday 15th August – Year 13 Results day
Thursday 22nd August – Year 11 Results day

Over the next few weeks and months we are delighted to be able to open our school up to the next generation of our Oldbury Family. We will be hosting a variety of different days and evenings (as detailed above) for our new Year 7's.

On the flip side to this, our Year 11/13 students will be leaving us over the next few months once their exams have finished. As we move into the exam period, the decision will be made that students can leave site once their exams are finished and once their course's completed. This means there may be an increase in students in the local area during the school day.

I will write to you again before the six weeks holiday as I am keen to keep you up to date on key information regarding our school, and as always, please do get in touch if there is anything I can help with.

Yours sincerely,

Mr D.S.Brittle
Transition and Work Experience Coordinator
