

September 2019

Dear Local Resident / Shop Keeper,

Once again I am delighted to be able to write to you to keep you updated about our school. We have had another set of brilliant results, which shows that the staff and student's hard work is paying off. We are full in current Year 7, which again, is brilliant to see and shows that the primary engagement which we believe is paramount to our successes, is again clearly working.

I intend to write to you as often as I can. However, I will be doing so but instead of posting the letters to you, I will be uploading them to our website. If however, you do want a paper copy, then please let me know.

Please follow the link www.oldburyacademy.org #CARE page, 'In Our Community'.

We have now implemented a 'lock down' at 4pm, which means that our school will close to all students at this time. Our main student gates will also lock at 4.15pm. We want to reduce the time in which our students are leaving the school site, and ensure that, as always, our students get home safely and with minimal disruption.

The promotion of our annual Open Evening has started. Mr Shackleton and other key staff have been out to local primary schools to promote our Taster Sessions and Open Period.

For reference – **Open Evening – Monday 16th September 2019 (6pm – 8pm)**

Open Mornings – Monday, Tuesday, Wednesday, Thursday and Friday next week (9.30am – 10.30am)

There may be increased traffic and parking at this time. We will try our best to ensure that our prospective parents park considerably.

Your support is very much appreciated, and we want to try and keep you up to date with key dates as much as possible. Please see the back of this letter for our school calendar. There may be events that need to happen which are not on the calendar. For this I apologise.

I look forward to writing to you again, via our website.

Yours sincerely,

Mr D Brittle
Operations Manager
