Health and Social Care

Component 1- Human lifespan and development. This includes the growth and development of individuals from infancy to later adulthood and coping with life events. **Component 1 is assessed with *two written essays*.**

Component 2- Health and Social Care services and care values. This includes exploring the NHS and the responsibilities of professional roles within health and social care settings. This component also involves demonstrating the care values. **Component 2 is assessed with *one written essay, a role play and a review*.**

Component 3- Factors that affect growth and development, life events, interpreting lifestyle data, interpreting physiological indicators (BMI, Peak Flow, Pulse Rate, Blood Pressure), creating a health and wellbeing plan and potential obstacles within Health and Social Care settings. **Component 3 is assessed with a *synoptic externally assessed exam*.**

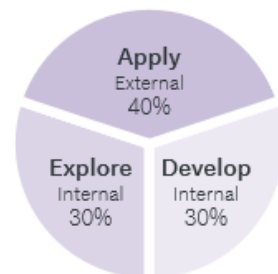

Health and Social Care

How does the grading work?

Students achieve a grade for each component, which are allocated points. At the end of the course, we calculate the final grade by adding the points from each component, and matching this against the qualification grade point thresholds.

Full grading

Our qualification goes from Level 1 Pass to Level 2 Distinction* to ensure all students' achievements are recognised. Students need to achieve a L1 Pass or above in the three components to achieve the qualification.

Qualification grade point thresholds

Level 2 Distinction* · 114 points

Level 2 Distinction · 105 points

Level 2 Merit · 95 points

Level 2 Pass · 72 points

Level 1 Distinction · 58 points

Level 1 Merit · 44 points

Level 1 Pass · 30 points

Internally assessed		Externally assessed	Final qualification grade

Possible Career Links

Recognised by employers and universities

In 2015, 1 in 4 students who entered university in the UK did so with a BTEC. BTEC is a recognised and well-known qualification suite, providing reassurance that students who study a BTEC meet the levels required by employers and Higher Education.

What are my students' options for progression after the course?

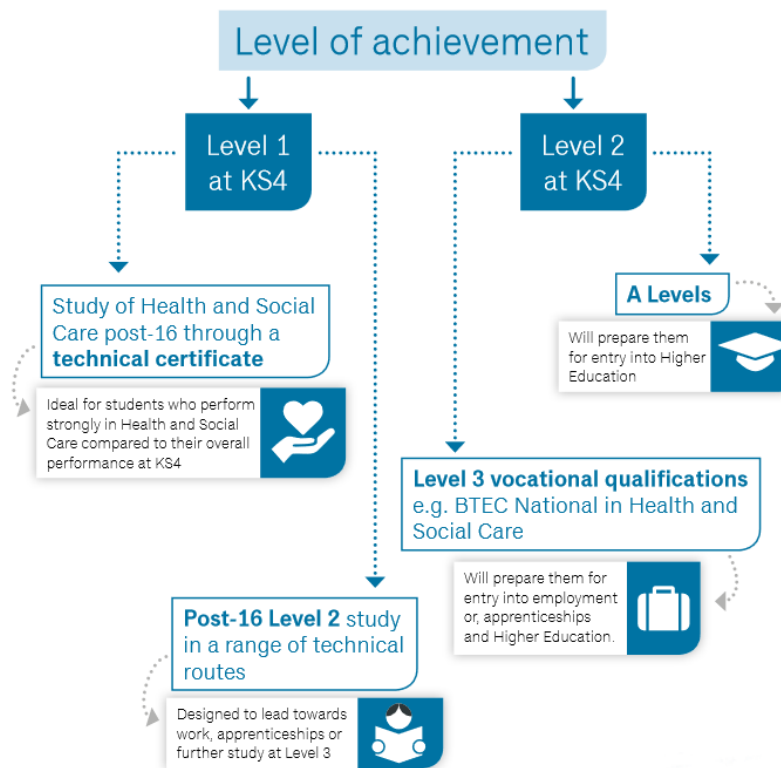

After completing their BTEC Tech Award, your students will be in a great position to continue in the health and social care sector. This qualification prepares students for both practical and academic routes.

Around **3 million** people in the UK currently work in health or social care.

Health and Social Care
Care assistant
Healthcare support worker
Home care support worker
Community support worker
Social services officer
Midwife
Outreach development worker
Care supervisor
Nurse

Where can my students progress to?

Health and Social Care
