Summer School 2021

Oldbury Academy

Written By: Dean Brittle – Operations Manager/Transition Lead

Information about Oldbury Academy.

Oldbury Academy is a large secondary school based in Sandwell. Our catchment area is large and covers areas including West Bromwich, Oldbury, Rood End, Smethwick and others. Our PAN is 310 and we work hard to ensure that our spaces are filled ready for the start of the Academic year.

Oldbury Academy’s site is managed by a Facilities Management Company – Mitie. They sublet the catering service to ‘autograph’ catering.

Transition is over seen by Mrs G Tillotson – Assistant Headteacher, but led by Mr D Brittle – Operations Manager.

Information about Summer school:

Oldbury Academy led one week of Summer School open to New Year 7 only. Summer School is designed to support the transition from primary school and to give students and insight into what school life is like. We led activities based around ‘settling in’, ‘confidence’ and also ‘getting to know you’. This will aid the members of staff in September to know more about the students. We also completed different academic tasks focussing on Maths and English, with Technology, PE, Geography, German and ICT subjects also being covered. Summer school was designed in such a way as to plug the gaps that the students may have experienced in Year 6.

In a cohort of 251 all students were invited via email and other social media/website updates. Of the 251 cohort 132 are not eligible for PP with 119 being eligible for PP.

86 students signed up for Summer School. Of that half were eligible for PP.

Attendance per day:

Day	Number of students
Monday 26 th July	81 students
Tuesday 27 th July	82 students
Wednesday 28 th July	80 students
Thursday 29 th July	66 students
