

Local Governing Body Parent Governor – Ballot Paper

Dear Parent/Carer,

At the close of nominations, for the position of a parent governor, two applications had been received; it is therefore necessary to hold an election.

Please see below the names of the candidates and a brief statement from each to support their application.

Mr I Hameed

My name is Imran. I have two children at the school and wish to become a parent governor. I've done this before and was very active in my role.

Choose someone who will represent your needs and hold the school to account if need be.

Mr A Page

I believe that I would be able to use experience gained in my career as Patient Systems Training Manager at Sandwell and West Birmingham NHS Trust to benefit the school. I would like to contribute in whatever way that I can and believe that I have the necessary qualities referred to in the seven principles.

Each parent/person with legal, parental, responsibility for a pupil currently attending Oldbury Academy, is entitled to one vote. Please ensure the other parent is made aware of their right to vote in this election. If they or you are unable to access the ballot paper electronically, please call the school between 9am - 4.00pm and a paper copy can be collected, or sent to you via your child. Where a paper vote has been requested, you must return it to school, to be received no later than the close of the ballot – **3.30pm on 10th November 2021**. Any votes received after that date and time will not be counted.

Please insert a X in the box of the candidate you wish to vote for.
