I would suggest packing a packed lunch to save money where you can here. The students will not be able to bring food and drink into the match, it would need to be bought there.

Places will accept cash but I recommend you send student students with a debit card if possible. I must stress that if they do only have cash, a member of staff will sort this and use their card so your child will not go without.

If there are any more questions, please email me throughout the weekend at [b.bullimore@oldburyacademy.org.uk](mailto:b.bullimore@oldburyacademy.org.uk) or on my trip phone at 07437 163354.

Thank you for your support,
