Dear Year 11 Parents

Live Revision Lessons

I am writing to let you know that there will be live revision lessons delivered for Science students when they would normally have that lesson in school. This is to maximise revision time for the remaining science exams even when students are on study leave.

These lessons will be with your child's regular class teacher and will be focused on revising content for the remaining science exams. These revision lessons will be delivered over Teams and you can find the timings below. Students should log on to the live lesson in good time to make the most of the revision that will be available to them.

Some lessons will not go ahead as students will be sitting exams. These lessons are optional but we strongly encourage attendance to best prepare for the remaining exams.

These are in addition to the revision sessions that are taking place over half term on **Weds 31/05 from 09:00 – 12:00 for all students** and **Fri 02/06 from 12:00 – 15:00 for triple and higher students**. We will also continue to deliver **Session 5s via Teams from 15:00 – 16:00 on Wednesday afternoons**

You can find the timetable of study below

	A BAND	B BAND	C BAND	
Weds 24th May				Session 5
