Monday 10th July 2023

Dear Parent/Carer

AMSP Maths Feast

Your son/daughter has been invited to represent the school in the AMSP Maths Feast at Oldbury Academy on Tuesday 18th July.

Maths Feast is a fun educational challenge for Year 9 students which tests problem-solving and teamwork skills. Teams of four students will test their maths skills with our all-you-can-eat feast of problems! We will be competing against other schools in the local area.

This is a normal school day, so expectations for uniform and equipment will not change. Your son/daughter will need to arrive at school at normal time and will miss period 1 and 2 lessons in the morning. They will then return to lessons P3.

Kind regards

Mr Millington
