Dear Parents/Carers

Canada – Ski Trip

We are writing to advise you that whilst we are in the summer months and therefore currently out of ski season, now would be the perfect time to take advantage of the sales for the items that your child will need for their trip to Canada next February.

We have itemised below a list of essential items that your child will need to take with them to be both safe and comfortable in the extremely cold conditions on the slopes next year. We have also listed a range of different retailers that you can purchase these items from.

Essential Items:

1 x Ski Jacket
1 x Salopettes
1 x Ski Goggles
1 x Snood scarf
1 x Woolly Hat
1 x Pair of Ski Gloves
3 x Pairs of Ski Socks
2 x Ski Thermals/Baselayers for top & bottom
1 x Pair of walking boots/snow boots

Retailers:

Snow & Rock
Mountain Warehouse
Millets
Go Outdoors
Decathlon
Sports Direct

These retailers are available to purchase from both online and instore. We advise for you to try and go into the stores so that your child can try on the items. It is usually sensible for them to size up in certain items e.g. Ski Jacket and Salopettes as they will be wearing these over the top of other layers.

We will soon be required by Equity to share your child's passport details as part of the booking process. A reminder to please ensure that your child's passport will be in date next February 2024 and that they will have held the passport for at least 6 months as per Canada's entry requirements.

If you have any questions, please do not hesitate to drop either of us an email.

Best wishes
