Our Ref: DL/Exams

Date: 14<sup>th</sup> July 2023

Dear Parents/Carers,

Subject: **GCSE exam results day**

Now that your child has completed all of their GCSE and vocational examinations, we turn our attention to the GCSE results day. Students will be able to collect their results from school on **Thursday the 24<sup>th</sup> of August from 9am – 12pm.**

Students will be able to collect their exam results from the sports hall during the allotted time stated. If students are unable to collect their results during the specified times, they will be available to download from the Edulink app from 12pm onwards. Please note that for Data Protection reasons we will not be emailing results to students. If students wish for their results to be collect by a family member, they must bring a form of photo identification and something signed by the student giving permission for collection of their results.

There will be careers advice and college support for students during the results day if any student require assistance and there will be lots of staff available to assist students and parents if needed. We wish all of our year 11 students the very best for GCSE results day and in the next steps of their journey.

Yours faithfully,

Mr D Long  
Data & ICT Development Manager
