Thursday 7th September 2023

Dear Parents/Carers

Year 11 Parental Engagement Evening

We would like to welcome back our year 11 students as they embark on the final year of their GCSE studies.

It is vitally important throughout this academic year that we triangulate the support for our children both at home and at school. We understand how important parental support is for children in the final stages of their GCSE's, and we would like to work with parents in understanding how we can maximise that support. We would like to invite you to our annual Year 11 Parental Engagement Evening on **Tuesday the 12th of September from 6.30pm-8pm.** During this evening, the Year 11 raising achievement team will be working with parents and students to outline the wrap around support that will be available to students throughout the duration of Year 11, along with sessions and information from Core subject areas about how you can support your child in their learning journey. There will also be sessions on how the best ways to work and revise using practical examples that students' can implement during their studies.

Parents who attend the evening will be given FREE copies of revision guides and work booklets for each of your child's GCSE subjects. These revision guides will be extremely purposeful in preparing students for their exams.

We will look forward to seeing you in support of your child on Tuesday evening, if you need any further information prior to the evening please contact the school.

Yours faithfully

Mr Cresswell
Deputy Headteacher
