Top tips!

1. As an outdoor centre your child will get muddy at some point – old clothes are better than brand new ones
2. Please make sure the children are able to carry their bag upstairs to the bedrooms.
3. It's a good idea to pack together so they know what's going in the bags and where.
4. Please ensure all belongings are clearly labelled.
5. We provide all the bedding. However, some children like to bring their own pillow case or single duvet cover; in some cases, the connection with home can help them settle in.
