Dear Parent/Guardian

Your child has been invited to attend a Maths workshop with their teacher during **the Easter holiday on Monday 25th March from 12.30pm-2.30pm**. They will be covering additional topics as well as revising key areas to help develop and master their mathematical skills.

Pupils must arrive between 12.25-12.30pm and enter the main reception - *I will be waiting in reception to let the pupils through the main doors; arriving later means that pupils may not be able to gain access into the building.*

*The session will **end at 2.30pm** and pupils will need to make their own way home or be collected from outside of school.*

It is important to indicate below how your child will be getting home after the session has finished.

Pupils do **NOT** need to wear uniform but will need to bring refreshments as no food will be available.

We would appreciate your support in encouraging your child to make use of this unique opportunity for Year 7 pupils and believe that the additional learning opportunities will greatly benefit your child's learning. **Please complete and return the slip below by Wednesday 20th March to indicate if your child will be attending.**
