Dear Parents/Carers

German and History Trip to Berlin – Postponement

I am writing to you today with an important update regarding the upcoming school trip to Berlin. As you know, we were thrilled to announce the opportunity for our students to experience the rich history and vibrant culture of Berlin. When we initially launched the trip, we received promising interest from both students and parents alike. However, despite our enthusiasm and efforts to promote the trip, we regret to inform you that we have not received enough sign-ups to make the excursion financially viable at this time.

We understand that this news may come as a disappointment. Please know that this decision was not made lightly, and we explored various options to try to proceed with the trip as planned.

In light of this, we will be postponing the Berlin trip to a later date. We believe that by relaunching the trip in September, we will have another opportunity to gauge interest and hopefully secure the necessary number of participants to make the excursion feasible. For those who have already signed up for the trip, I want to assure you that your child will have first priority when we reopen registration in September. They will be given the opportunity to re-register for the trip before it is opened up to other students.

Regarding the refund process, our finance department will be sending out a link where you can provide your bank details for the deposit to be returned electronically. If for any reason you cannot have a refund straight into your bank account, please contact finance@oldburyacademy.org.uk for advice.

Once again, I want to express my sincere apologies for any inconvenience or disappointment this may cause. We are committed to providing enriching experiences for our students, and we remain hopeful that we can make the Berlin trip a reality in the near future.

Thank you for your understanding and continued support.

Yours sincerely

Mr D Hoofe
Teacher of German
