Friday 5th July 2024

Dear Parent/Carer

Wednesday 10th July – Work Experience Day

We are nearing the final weeks of this term before the summer break. As the students come to the end of Year 9, we want to ensure they are fully prepared for Year 10. During Year 10 all students will complete a week of work experience. To support this and to get students informed and ready for this, on Wednesday 10th July we will be having a work experience day.

During this day we have got a number of professionals coming in to speak with students and do some practical elements to show them different careers in different fields. We have the following fields in on Wednesday:

- Business Owner
- Property Developer
- Barber
- Radiographers
- Nurses and Midwives
- Vet and Animal Care

This will be a great opportunity for students to also ask where work experience places can be found, students will also have Work Experience launched with dates and forms to fill in. I would advise that students start to look for placements over the Summer Holidays to get ahead.

This will be a valuable experience and is important for students to attend on Wednesday.

If you do have any questions, please do not hesitate to contact on
Mandeep.thiara@oldburyacademy.org.uk

Yours faithfully

Miss M Thiara
Head of Year 9
