Dear Parents/Carers

BTEC Exam Results Day

Now that your child has completed a number of components in their vocational subjects, they will be celebrated with a BTEC results day. Students will be able to collect their results from school on:

**Thursday 22nd August
9am - 12pm**

Students will be able to collect their component results from the sports hall during the allotted time stated above. If students are unable to collect their results during the specified times, they will be available to download from the Edulink app from 12pm onwards.

If students wish for their results to be collected by a family member, they must bring a form of photo identification and something signed by the student giving permission for collection of their results.

Any students requiring assistance with the interpretation of their results will be able to talk to the many staff available to assist students and parents if needed. We wish all of our year 10 students the very best for BTEC results day and in the next steps of their journey.

Yours faithfully

S. Cresswell
