Dear Parents/Carers

Sparx Maths Homework

We have been contacted by a number of year 7 parents who are concerned that they have received emails from Sparx that their child has not completed their homework, and that it is late. This is an automated message from Sparx.

We want to reassure you that we are aware that some year 7 pupils have not received their logins yet and therefore will not have been able to complete their Sparx homework this week. We are hoping that this is resolved in the coming days and that pupils will be able to access their Sparx homework for next Wednesday's deadline.
