Monday 7th October 2024

Dear Parent/Carer

Reading Intervention

We have recently carried out our Reading Age tests for Autumn 2024 and your child has been flagged as requiring urgent intervention because their reading age does not align with their chronological age.

In response to this, they will be required to attend form time intervention once per week to help develop their reading and comprehension skills. This is vitally important as it will ensure your child is able to access both content in lessons and exams at the end of the academic year.

The rota for form time intervention is as follows:

| Day | Monday | Tuesday | Wednesday | Thursday | Friday |
|------------|--------|---------|-----------|----------|--------|
| Year group | Year 8 | Year 9 | Year 10 | Year 7 | |

To support this, please ensure your child is on time each day and they understand the importance of attending and engaging with these reading intervention sessions.

We will be carrying out second tests in January to monitor students' progress and whether they still require intervention.

Thank you for your support and, if you have any questions, please do not hesitate to contact me.

Yours faithfully

Mr J Marshall
Literacy Co-Ordinator and English teacher
